Our experienced team is capable of advising and assisting business in the region to improve their systems and processes. We will assist in VAT Registrations, preparation & filing of VAT returns and will train and equip the key personnel.

Businesses that meet the minimum annual turnover requirement will be required to register for VAT. All business units have to keep range of business records of their financial transactions and ensure that their financial records are accurate and up to date. We will provide absolute professional services for your VAT compliance in all areas such as VAT training, VAT registration, financial management, book-keeping, technology, and perhaps even their human resource mix.

INTERNAL AUDIT

Internal audit is a dynamic profession involved in helping organisations to achieve their objectives. The role of Internal Audit is changing. Traditionally, its task was to ensure compliance. Now, it is more involved in top-level decision making, protecting the organisation against risk and improving control systems. It is concerned with evaluating and improving the effectiveness of risk management, control and governance processes in an organisation. The role of internal audit is to provide independent assurance that an organization's risk management, governance and internal control processes are operating effectively.

ACCOUNTING & FINANCIAL REPORTING

JV Thomson offers a wide spectrum of accounting services that answers to the financial needs of any business in the global market. Our experienced professional team provides wide range of services in accounting and book keeping to various business entities ranging from SME to large business groups. Our service include monthly accounting, clearing backlogs, preparing financial statements, management reporting, financial analysis and monthly/ quarterly/ year end reviews. We ensure that the financial statements are complying with International Financial Reporting Standards (IFRSs) and are committed to keep the highest level of professional standards and quality.
